THE COCKS-CLARK ENGRAVING CO.
ILLUSTRATORS : ENGRAVERS
DENVER, COLORADO

ALL CHINKS LOOK ALIKE

The man to whom all printing plates are "cuts" should safeguard his buying by dealing with a house that will guide him intelligently and conscientiously, where he needs assistance.

Such a house will select the method of illustration best suited to his requirements, rather than sell the plate representing the greatest profit.

He will be given the best workmanship that the skill and experience of the house affords.

The work will be delivered on time.

A guarantee of satisfactory performance by the plates covers the entire transaction.
